

Welcome to Level 2 ped 2026 Term 3

Do now

In pairs - a to z

In pairs, write down as many values you know from A-Z

Wait for the timer!

Value types

Common values

1. Respect
2. Honesty
3. Responsibility
4. Integrity
5. Effort
6. Perseverance
7. Self-discipline
8. Confidence
9. Courage
10. Resilience
11. Kindness
12. Empathy
13. Inclusion
14. Fairness
15. Cooperation
16. Teamwork
17. Loyalty
18. Trust
19. Support
20. Communication
21. Manaakitanga (caring for others)
22. Whanaungatanga (relationships/connection)
23. Respect for diversity
24. Equality
25. Social justice
26. Belonging
27. Acceptance
28. Leadership
29. Service
30. Cultural pride
31. Commitment
32. Motivation
33. Positive attitude
34. Open-mindedness
35. Willingness to try
36. Growth mindset
37. Accountability
38. Fair play
39. Sportsmanship
40. Excellence

Learning intention

Learning intention

Make sense and build knowledge of Attitudes, Values & Social Responsibility

Learning intention

- Recall the definition for Attitudes, Values and Social Responsibility
- Identify Values for self, others and society
- Give examples of different levels of Social Responsibility
- Complete the Y10 Attitudes and Values booklet

Defining terms

values

“What you believe is *right, important, or worthwhile.*”

“Values are what matter to you.”

attitudes

“The way you *think, feel, and act* about something or someone.”

Think → your beliefs (e.g. “I’m not good at PE”)

Feel → your emotions (e.g. nervous, excited)

Act → your behaviour (e.g. trying hard or giving up)

Social responsibility

definition

the attitudes and values that help young people make responsible decisions

Hellison's model of social responsibility

Is a framework made up of 5-6 levels showing different levels of social responsibility.

Social responsibility

task

Complete the Y10 Attitudes and Values booklet to test your prior knowledge of what you already know about Attitudes, Values and Social Responsibility

Get this marked by Mrs Tamihere to see what level your at

FINISHED? Go to Google Classroom and read the 2.7 Social Responsibility Assessment

Welcome to
Level 2 ped 2026
Term 3
Wk.1 - weds 12

Do now

7:00

What are you responsible for?

Learning intention

Make sense and build knowledge of Attitudes, Values & Social Responsibility

Learning intention

- Identify what you are responsible for
- Make decisions that demonstrate your values
- Complete the Y10 Attitudes and Values booklet
- Make sense of 2.7 Social Responsibility assessment

Defining terms

values

“What you believe is *right, important, or worthwhile.*”

“Values are what matter to you.”

attitudes

“The way you *think, feel, and act* about something or someone.”

Think → your beliefs (e.g. “I’m not good at PE”)

Feel → your emotions (e.g. nervous, excited)

Act → your behaviour (e.g. trying hard or giving up)

Social responsibility

definition

the attitudes and values that help young people make responsible decisions

Hellison's model of social responsibility

Is a framework made up of 5-6 levels showing different levels of social responsibility.

Values continuum

Values continuum

Strongly
Disagree

“Winning is more important than anything else”

“Telling the truth is the right thing to do even if someone gets in trouble for it”

Strongly
Agree

“Social media influences how we think about our own body image”

“If your not sporty you shouldn't be forced to participate”

2.8 social responsibility

Using your chromebook, go on to Google Classroom and find the 2.7 Social Responsibility assessment.

Spend 5-10 mins reading it and answer the following questions:

1. How many credits is the assessment worth?
2. When is the due date? What week of school is this?
3. Write three main things this assessment requires you to do?
4. How many reflections do you need to complete?
5. If you have course on Weds, Thurs or Fri, how many practicals on average do you need to complete each week until the due date?
6. What does the marking criteria say you need to do get an Achieved?
7. What does the marking criteria say you need to do get an Merit?
8. What does the marking criteria say you need to do get an Excellence?

homework

task

Complete the Y10 Attitudes and Values booklet to test your prior knowledge of what you already know about Attitudes, Values and Social Responsibility

Get this marked by Mrs Tamihere to see what level your at.

**MUST BE FINISHED AND HANDED IN BY
EVERYONE BEFORE WE DO PRACTICAL
TOMORROW**

PRACTICAL

PRACTICAL

- Practice your Social Responsibility.
- You will be given a score from 1-4 based on your level of Social Responsibility
- Following practical we will complete a practice written reflection

Welcome to
Level 2 ped 2026
Term 3
Wk.2 - weds 12

Do now

15:00

If you were here yesterday

Finish completing yesterday's reflection for your PE practical

Use the spreadsheet to view your scores - [link](#)

If you have finished complete the survey below

If you were absent or on course yesterday

Complete the survey on what we will do for practicals this term - [link](#)

Once you have finished view the spreadsheet and make sense of the scoring system for Social Responsibility - [link](#)

Learning intention

Learning intention

Make sense and build knowledge of Interpersonal Skills

Learning intention

- Identify SR actions you can take before, during and after the lesson
- Name and explain at least three Interpersonal Skills

Before, during, after

Organise yourself into three even groups

You have 3 mins to do this!

task

- Each group will be given a white board marker and a category: **BEFORE, DURING or AFTER**
- In groups write down an example of actions you can complete to show you are Socially Responsible
- You will have 5 minutes! The group that shows the most Social Responsibility and best effort will win a prize

Practical lesson

expectations

- On time, correct PE uniform (whanau tshirt), Chromebook, positive attitude
- Asking questions
- Being involved in the set up of the activity/practical
- Listening
- Helping others when they dont understand - explaining/demonstrating
- Communicating - asking questions, working together, coming up with strategies
- Supporting and Encouraging - make it genuine!
- Consistently participating - no breaks, ask if you need to go toilet or get water

Interpersonal skills

What are interpersonal skills?

Interpersonal skills are the abilities people use to communicate, interact, and build positive relationships with others. They help individuals work effectively together, resolve conflicts, show respect and empathy, and contribute to the wellbeing of themselves and those around them.

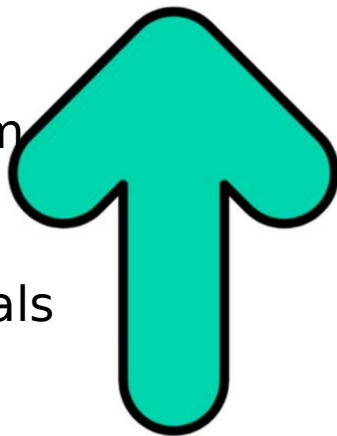

Working together

Working together

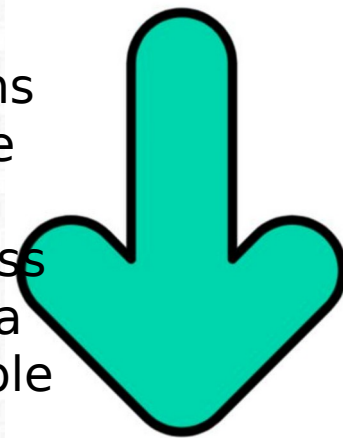

Cooperation is the process of individuals within a group working or acting together to help achieve common goals. Unless groups or teams are willing to cooperate with each other the full potential of the group is unlikely to be reached.

Working together

The more cooperative a team is the more likely they are to reach their potential, goals & even success

Uncooperative teams are more likely to be unsuccessful in achievement and less likely to perform at a level they are capable of

Effective communication

Effective communication

Is how well group members understand each other. Is the person speaking, speaking in a way that everyone understands? Do members of the group feel free to express their opinions? Do members respect each other when they are talking? Give and receive feedback.

Types of Communication to consider:

- Clear - is the message being understood
- Active Listening
- Tone & Language
- Feedback
- Time
- Questioning & Reassurance

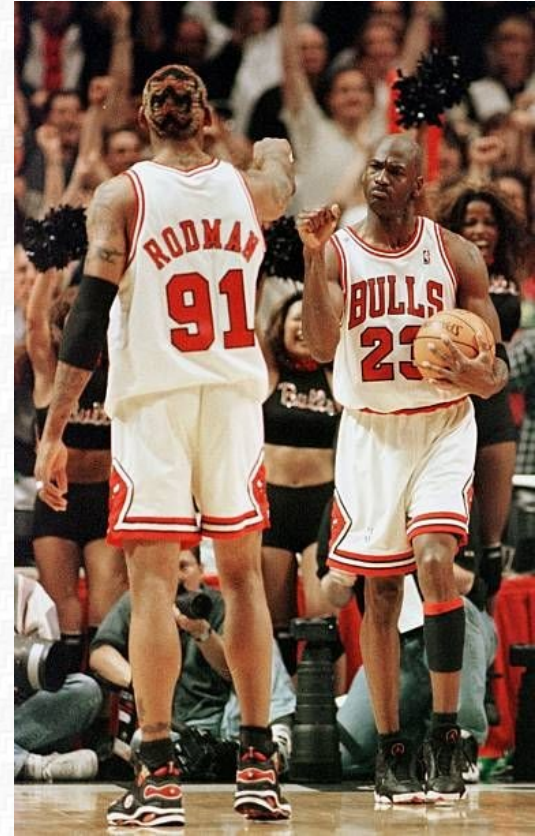

interdependence

interdependence

Group members depending on each other to help achieve common goals. Interdependence is the degree the group members rely and trust each other to complete their duties amongst the group to help achieve success.

Examples in PE practical:

- Height
- Speed
- Thinking/Strategy
- Open to Advice
- Leadership
- Organiser

cohesion

cohesion

How well does each group member feel like they belong to the group? Individuals are going to work harder for the group if they feel like they belong.

Quite often before a sports team play a match, they will come together and do a chant. Lots of teams refer to each other as brothers or sisters.

Activity 1

Activity: Mix and Match

5:00

1. Using your Social Responsibility get into 4 even groups - ppl in your group must be diverse in sex, culture, skillset. If you don't get this part right you will get a points deducted
2. Match the correct definition with the right Interpersonal skill
3. Once you think you have finished put your hand up and sit down at your timetable for it to be checked
4. Winning team wins a prize

Activity 2

Activity: draw talk observe

1:00

1. Organise yourselves to get into groups of 3
2. Within your group each person will start with one of the following roles:
 - a. **Communicator**
 - b. **Listener/Drawer**
 - c. **Observer**
3. The Communicator will have 30 seconds to look at a picture then explain to the listener how to draw the picture they have just seen
4. The listener/drawer will have to 1 minute to draw as much of the picture as possible before everyone in your group changes roles
5. communicator → Listener drawer → Observer → Communicator

Welcome to
Level 2 ped 2026
Term 3
Wk.3 - weds 12

Do now

Speak to the person next to you and write down your answers together

1. What have found the most **JOY** in L2PE this year?
2. What is your goal for the remaining two assessments for Term 3?
3. What do you need from your Learning Leader to help you achieve this goal?
4. How many credits in total do you see yourself getting from L2PE?
5. Do you plan on taking L3 PE in Y13?

Learning intention

Learning intention

Make sense and build knowledge of Health and PE pathways

Make sense of how to structure my Social Responsibility reflections

Learning intention

- I Ask questions about what HPE pathway looks like at AC and beyond
- Complete all the reflections I need to be up to date with my 2.8 Social Responsibility assessment

Level 3 Pe

What does it look like?

Assessments:

- Practical Performance - Softball or Pickleball
- Leadership/Coach - Coaching @ Randwick Park
- Training Programme
- Risk Management - Trip
- Biomechanics
- Physical Activity

Level 3 Pe

What are benefits of taking I3 PE?

BENEFITS:

- Internals only
- No external assessment required for an endorsement
- University Entrance Course
- Options to resit for Practical Performance
- Y13 Camp - Tutukaka

Level 3 Pe

pathways

- PE Teacher
- Coaching
- Sports Management
- Personal Trainer
- Health

Does PE fit in with your Pathway? If not, will it still support you to get the credits you need to your pathway post high school/college?

Level 3 PE

questions?

What questions do you have the
might support you in your decision
to take PE in Y13?

reflections

Advice and tips

- Use the sentence starters shared on Google Classroom
- The Reflections are marked as a pass or fail
- You need to meet the specifics to pass the written part
- You overall grade is a mix meeting the reflection criteria and how you **demonstrate** Social Responsibility during practical lessons

reflections

Sentence starters: lets do it together!

I believe I worked at a level 3 because I showed respect and kindness towards by complimenting Taylen when he won a point in Badminton. I said “good job, that was a really nice shot.”

Something else I did to demonstrate this level was bring my correct PE gear (whanau tshirt) and listen to the instructions that Mrs Tamihere gave during the lesson. This helped me to participate throughout the whole lesson.

reflections

Sentence starters: lets do it together!

The positive impacts these actions had on my team were made others feel happy therefore it created more enjoyable learning environment.

The positive impacts these actions had on another team were strong role modelling and it made others want to behave the in the same manner.

reflections

Sentence starters: lets do it together!

Explain what you can do to be more socially responsible

Next lesson I would like to achieve level 4. To get to this level I need to help others when they want help or need it. I can do this by asking my class/peers/LL if they need any support.

Welcome to
Level 2 ped 2026
Term 3
Wk.5 - thurs 13

Do now

Open your social responsibility assessment

1. A check will be completed on how many reflections you have completed
2. Rewards given to those who have USED their **SOCIAL RESPONSIBILITY** to stay on top of their work
3. From next week, if written work is not up to date you will not be doing practical

Learning intention

Learning intention

Make sense and build knowledge 2.7 Risk Management

Learning intention

- Identify risks and strategies to eliminate or minimise risks
- Complete all the reflections I need to be up to date with my 2.8 Social Responsibility assessment

Risk management

What is risk management?

Risk management is the process of identifying, assessing and controlling threats or uncertainties when completing outdoor physical activities

Why is risk management important?

- 1.
- 2.
- 3.
- 4.
- 5.

Risk management

Risk types

When completing risk management there are different types of risks that need to be taken in account in order properly assess risk. The three main types of Risks are:

People - behaviour, health issues, physical ability
Environment - weather, type of landscapes, social
Equipment - safety, equipment needed

Risk management

Mountain biking

Each group will be given a slide and Risk Type you need to identify the risks involved in Mountain Biking and how you would eliminate or minimise it. You need three examples for each risk type and 3 strategies

Group 1 - People - Slide 48

Group 2 - Environment - Slide 49

Group 3 - Equipment - Slide 50

Mountain biking - group 1 - people

Risk Type	Write three things that could go wrong? One must be a worst case scenario and the others can be two things that are likely to go wrong	Given three strategies that could happen for each to eliminate or minimise the risk of these happening
PEOPLE	Neurodiverse - can interfere with their mindset which interrupts their thoughts	Give clear and simple instructions
		Allow the biker to have breaks if needed
		Keep the environment calm and predictable
	Death - falling off the bike and breaking your body parts then your neck.	Make sure you wear proper gear and a proper fitting helmet
		Follow road and cycling safety rules
		Have adult supervision and emergency procedures in place
	Injury that can negatively affect your performance while riding the bike.	Warm up and stretch before riding
		Wear appropriate protective equipment
		Ride at a safe speed and avoid dangerous areas

Mountain biking - group 2 - environment

Risk Type	Write three things that could go wrong? One must be a worst case scenario and the others can be two things likely to go wrong	Given three strategies that could happen for each to eliminate or minimise the risk of these happening
ENVIRONMENT	Mud slips,	Have a skilled biker go ahead
		Let a park ranger know if there's a slip in the way of the track.
		Try to avoid if seen
	fallen branches	Move it to the side
		Alert other oncoming bikers
		Beware of the tracks ahead
	animal (depending on the environment).	Waiting for the animals to pass
		Call for the ranger

Mountain biking - group 3 - equipment

Risk Type	Write three things that could go wrong? One must be a worst case scenario and the others can be two things likely to go wrong	Given three strategies that could happen for each to eliminate or minimise the risk of these happening
EQUIPMENT	Broken bike gears fail and you fall down a cliff and suffer a fatal injury.	Test out your bike in a safe setting before the trail.
		Pump your tires and make sure they have grip.
		Bring a first aid kit in case of any injuries that happen
	Your helmet strap is loose and when it needs to be used it fails and you injury your head.	Buy a new helmet that fits you
		Check your helmet before you start riding for defeats like loose straps.
		Buy your helmet for a reliable and suitable brand
	Muddy shoes can lead to you slipping of the pedals on your bike and falling off your bike.	Get biking shoes
		Be experienced with riding any the position of your pedal and breaks before riding a difficult track.
		Make sure there isn't any damage to the shoes before you use them

WORK TASKS

WORK ON YOUR:

2.8 Social Responsibility

OR

2.7 Risk Management

For the remainder of the lesson. If you don't finish your Social Responsibility reflections you will need to complete this in your own time. **Reminder if you're behind with your reflections - no practical next week!**

Welcome to
Level 2 ped 2026
Term 3
Wk.7 - thurs 3 sep

Do now

15:00

Open your 2.7 risk Management

1. Hand in your complete permission slip for our trip to Wero
2. Read the list of items needed for the trip:
 - Water bottle
 - Food/Lunch
 - Warm clothes, socks
 - Spare change of clothes incase it rains
 - Towel
 - Covered (appropriate
 - Togs - short tights and singlet/fitted top for girls, shorts for boys and fitted top. Nothing too baggy!

Learning intention

Learning intention

Identify risks and strategies to eliminate or minimise risks for our Trip Wero White Water Park

Success criteria

- Complete Task 1a & 1b of 2.7 Risk Management
- Identify risks people, equipment and environment pose to high ropes

I do, we do,
you do

2.7 Task 1a & 1B

Needs to be completed before you go on next weeks trip

2.7 task 1B

- There are two parts to this section - High Ropes & White Water Rafting
- Identify risks associated with People, Equipment and Environment
- Identify strategies to minimise or eliminate the identified risks
- Identify people who need to be responsible for eliminating or minimising the identified risks

2.7 risk management

2.7 Task 1a & 1B

Needs to be completed before you go on next weeks trip

2.7 task 1B

- There are two parts to this section - High Ropes & White Water Rafting
- Identify risks associated with People, Equipment and Environment
- Identify strategies to minimise or eliminate the identified risks
- Identify people who need to be responsible for eliminating or minimising the identified risks

2.7 risk management

2.7 risk management

- If you are short on reflections for 2.8 Social Responsibility you can use High Ropes and White Water Rafting for **two** reflections
- You need to finish Task 1a & 1b before the trip to demonstrate Social Responsibility and that you are aware of the risks associated with the activities to ensure your own and others safety

Complete as much of task 1b as possible before the end of the lesson

Welcome to
Level 2 ped 2026
Term 3
Wk.8 - tues 8 sep

Do now

15:00

1. Hand in your complete permission slip for our trip to Wero
2. Read the list of items needed for the trip:
 - Water bottle
 - Food/Lunch
 - Warm clothes, socks
 - Spare change of clothes incase it rains
 - Towel
 - Covered (appropriate
 - Togs - short tights and singlet/fitted top for girls, shorts for boys and fitted top. Nothing too baggy!

2.7 risk management

2.7 Task 1a & 1B

Needs to be completed before you go on tomorrow's trip

2.7 task 1B

- There are two parts to this section - High Ropes & White Water Rafting
- Identify risks associated with People, Equipment and Environment
- Identify strategies to minimise or eliminate the identified risks
- Identify people who need to be responsible for eliminating or minimising the identified risks

Welcome to
Level 2 ped 2026
Term 3
Wk.8 - weds 9 sep
Wero trip

Welcome to
Level 2 ped 2026
Term 3
Wk.8 - thurs 10 sep

Do now

15:00

Talk to the person next to you about the following for yesterday's trip to Wero:

1. The highlight of your day
2. Which part of the day was the most riskiest for you?
3. What level of Social Responsibility you would score yourself and why?

Assessments 2.7 and 2.8

Option 1

If you are short on 7 reflections, complete one or two reflections for **2.8 Social Responsibility** for the two activities we completed yesterday

- High Ropes
- White Water Rafting

Option 2

Complete **2.7 Risk Management** Task 1b if you havent completed it **OR** if you have you may want to go back through it and add other information that you got from your experience on yesterday's trip

Option 3

Move onto Task 2 of **2.7 Risk Management** - Reflection Logs
