Hauora Reflection Log Book

Level 1 Physical Education 2026

92018: Demonstrate understanding of the influence on personal movement experiences on hauora.

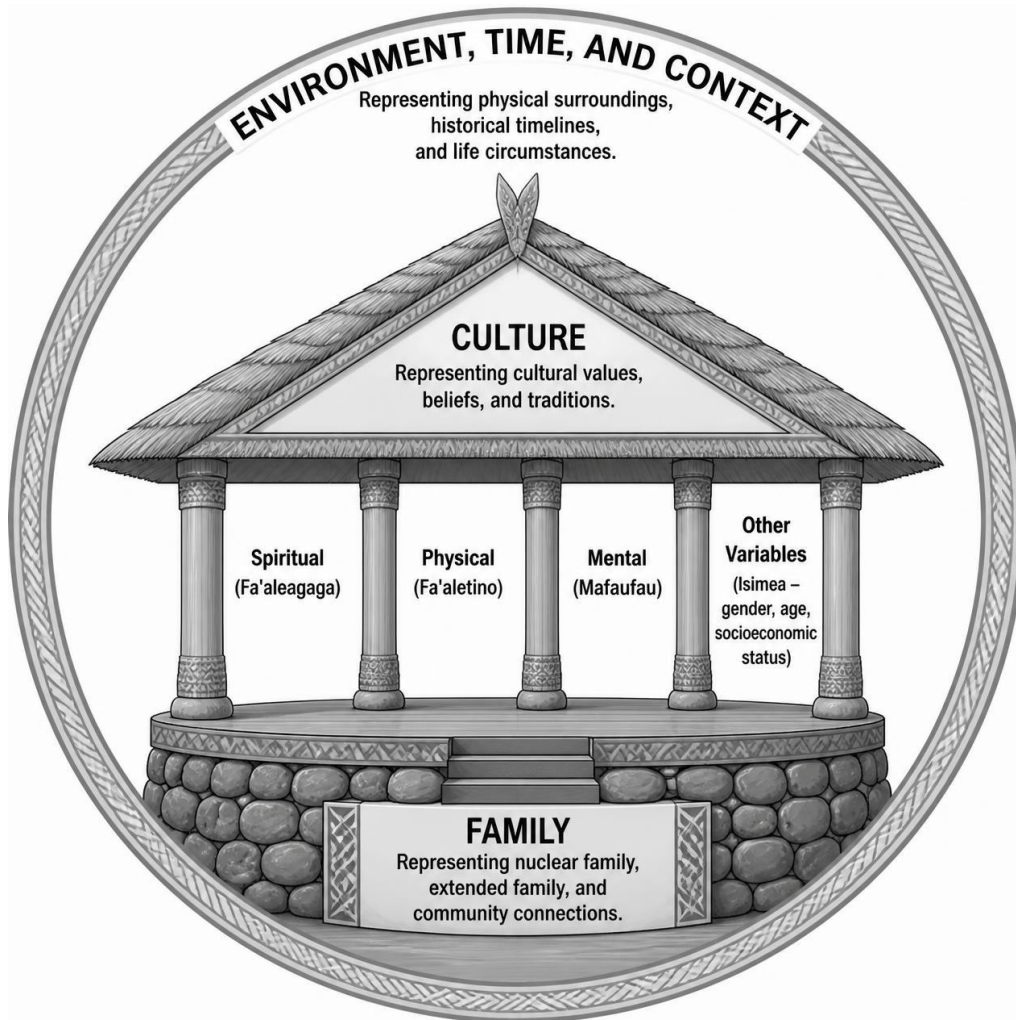

Achievement	Achievement with Merit	Achievement with Excellence
Demonstrate understanding of the influence of personal movement experiences on hauora.	Explain the influence of personal movement experiences on hauora.	Evaluate the influence of personal movement experiences on hauora.

This Achievement Standard requires ākonga to participate in personal movement experiences of an ongoing nature and to share a personal interpretation of how hauora was influenced.

Ākonga will be assessed on their understanding of how the personal movement experiences influence hauora. Hauora must be explained using a model of health. Examples must be given from instances of their own participation in the experiences and should be gathered over time.

This book is not the final assessment but you are able to have this reflective log with you in the external.

Fonofale Health Model

In your own words describe your understanding of hauora.

In your own words describe your understanding of the model of health Fonofale.

Using the model of health Fonofale, identify what influences your own hauora?
