

Level 2 HEALTH
Term 4 | week 1
Mon 6 OCT - L1

Do now

10:00

With the person next to you share and write down a goal you want to achieve in the next 3 weeks of school for the following:

- Level 2 Health Class
- Social
- Academic

Each person needs to write down and share back the 3 goals for their partner

L2 HEALTH

LEARNING INTENTION

Make sense of our learning pathway in L2 Health

SUCCESS CRITERIA

- Identify what actions I need to take in the next three weeks to achieve in this course
- Make sense of our external Health assessment

HEALTH Promotion

HEALTH PROMOTION

- Everyone will be given a week extension due to my absence
- For those who have handed theirs in, if you would like to get some feedback put your name on the board for a 1:1
- If you feel like completing this assessment is too out of reach for you, please put your name also in 1:1 and I can discuss with you other options for resubs if available
- Otherwise everyone needs to be complete this assessment or their name needs to be on 1:1 board

Level 2 HEALTH
Term 4 | week 1
Mon 6 OCT - L2

Do now

In three groups, come up with a short definition for the following:

Group 1 - Hauora

Group 2 - Strategies

Group 3 - Attitudes & Values

Put your definition on the next slide.

Do now

In three groups, come up with a short definition for the following:

Group 2 - Strategies

Group 3 - Attitudes & Values

Put your definition on the next slide.

DO NOW - DEFINITIONS

HAUORA -

STRATEGIES -

ATTITUDES & VALUES -

Y12 SIGN OFF

SIGNING OFF

- Must see evidence that you have tried to complete assessment work in this course
- If you have yet to gain any credits in this course the focus for you will be selecting an assessment to resub and discuss with me to work on over the next few weeks - signing off unlikely to be an option
- If you have handed in all your assessments in this course and are tracking well then consideration will be given for signing out once you have attempted a practice exam for our external assessment

HEALTH external

2.1 - ANALYSE A ADOLESCENT HEALTH ISSUE

- External - 5 credits
- Thursday 27 November @ 2pm
- Written exam where you have to analyse a adolescent health issue, potential examples:
 - Mental Health
 - Vaping
 - Alcohol
- Important to understand key concepts:
 - **Hauora** - physical, social, mental, spiritual
 - **Factors/Strategies** - personal, interpersonal societal
 - **Attitudes & Values**

HAUORA TASK

IN PAIRS...

List 6-8 ways Vaping could impact our Hauora:

Physical (Tinana)

Mental (Hinengaro)

Social (Whanau)

Spiritual (Wairua)

FACTORS

in PAIRS...

List 6-8 Personal, Interpersonal and Societal factors that may influence adolescent to vape or develop a vaping problem:

PRACTICE exam

2.1 - PRACTICE exam WK.3

- Complete practice exam tomorrow in class
- Must be done individually
- Exam conditions - no devices, no talking, no phones!
- Marking will be done in time for Week 2s lessons
- Will go through some of the answers as a class next week

Level 2 HEALTH
Term 4 | week 2
Mon 13 OCT - L1

DO NOW

- In groups of 4, create a google slide and make a list of all the energy drinks you know
- For each energy drink you list you must find a image of a put this on the slide
- The drinks just need to be the brands - a variety of flavours of each brand does not count!
- The group with the biggest list and which images to match wins

L2 HEALTH

LEARNING INTENTION

Make sense of a youth health issue

SUCCESS CRITERIA

- Identify short term and long term issues with energy drinks
- Identify impacts energy drinks have on ones hauora
- Explain strategies on P-IP-S levels

L2 HEALTH

IN GROUPS

Make a list of short term and long term consequences of energy drink use on youth

ENERGY DRINKS

As a class we are going to read this article on energy drinks - [link](#)

Now in groups...

- Highlight and annotate any key information on the article that relates personal, interpersonal or societal issues for youth energy drink consumption
- Use three different coloured highlighters to represent P-IP-S

*annotate means to make short notes of what you have highlighted to make it easier to understand

L2 HEALTH

IN GROUPS

Identify 3 ways energy drinks have on a young person's well-being in relation to the four dimensions of their hauora.

Write 3 examples for each of the four dimensions - explain briefly the impact

L2 HEALTH

STRATEGIES

In groups of 3-4, come up with and explain 2-3 personal, interpersonal and societal strategies that could prevent issues associated with energy drink consumption amongst youth

CREATE A POSTER

Create a informative poster on A3 about Energy Drinks

Your poster needs to include the following headings with information:

- Energy Drinks - what defines a energy drink?
- Long & Short term impacts - 5 each
- Impacts on Hauora - four examples for each dimensions
- Impacts for youth - why it is a adolescent health issue?
- Strategies - personal, interpersonal and societal

Level 2 HEALTH
Term 4 | week 1
Tues 14 OCT

DO NOW

In your same groups as yesterday, come up with a definition for the below topic in your own words:

PERIOD POVERTY

LEARNING INTENTION

Make sense of a youth health issue – period poverty

SUCCESS CRITERIA

- Identify short term and long term consequences of period poverty
- Identify impacts period poverty have on ones hauora
- Explain strategies on P-IP-S levels

PERIOD POVERTY - WHAT IS IT?

In Aotearoa, period poverty refers to the lack of access to period products and education, leading to challenges in work, school, and daily life.

Unfortunately, there are individuals who cannot afford to purchase the essential period products they require on a monthly basis, and this situation hinders their ability to attend work, school, or actively participate in their daily routines. It's crucial that we address this issue with understanding and empathy, as it significantly impacts the lives and wellbeing of those affected in our community

PERIOD POVERTY - KEY INFORMATION

Period Poverty in Aotearoa

23%

of people with periods in Aotearoa have missed work or school at some point in their lives because they didn't have access to period

\$16,000

is the average cost of having a period across a lifetime

14%

of students in decile one schools missed more than one day a month because of their period.

PERIOD POVERTY - VIDEO

<https://www.facebook.com/watch/?v=770973916652284>

PERIOD POVERTY - consequences

In pairs, write down as many consequences for young people as a result of period poverty

- Missing out on school/education opportunities
- Staying home from work/part-time jobs
- Feeling constant shame– messes with mental health
- Potential infections from using unsanitary items as alternatives
- Increase of stress and anxiety
- Poor hygiene leading to weak immune system
- Lack of self confidence/ low self esteem
- Lack of knowledge– being out of the loop with the process of periods
- Social isolation– avoiding friends
- Depending on others for menstrual products

PERIOD POVERTY - consequences

- Insecure
- Dropping out
- Feeling dirty, itchy, skin irritation, bacteria
- Getting made fun of
- Missing work days/school
- Fear of missing out (can't afford what others have)

PERIOD POVERTY - consequences

- uncomfotability during school
- Leaking through clothes
- Missing school
- Shame and anxiety
- Insecure
- Dropping out of school
- Feeling dirty, itchy, skin irritation, bacteria
- Getting made fun of
- Missing work days
- Fear of missing out (can't afford what others have)
- Poor hygiene

PERIOD POVERTY - consequences

- Missing out school
- Not paying attention in class
- Bleeding through clothes
- Getting infections by using cloth
- Staying home from work or school
- shame
- Cultural stigma viewing that its not appropriate to talk about
- Bad hygiene/ bad immune system
- Lack of knowledge
- Insecure
- Feeling anxious, uncomfortable, embarrassed
- Ruining everything you sit on/lay on due to the blood if you're not wearing any sanitary products

PERIOD POVERTY - STRATEGIES

What strategies could the below groups take to support young people who struggle with affording period products?

School

Home

Girlfriend/Boyfriends

Sports Clubs

PERIOD POVERTY - SOCIETAL GROUPS

What strategies could these societal organisations or public figures apply to ensure health and safety for youth who struggle with period poverty?

Workplaces

Governments

Healthcare Services

Politicians

School Principals

Level 2 HEALTH
Term 4 | week 3
Mon 20 OCT - L1

DO NOW

- Complete this survey - [link](#) then put your device or phone away
- If you want to be signed out for study leave put your sign out form on the desk up the front
- Get a pen out
- Put bags on benches

HEALTH eXTERNAL 2.1 - mock exam

Analyse an adolescent health issue

- No talking - exam conditions
- If you need to ask a question put your hand up
- Check your work, read and re-read if you have to
- If you finish before the time, put your hand up and I will collect your exam paperwork

50:00

Level 2 HEALTH
Term 4 | week 3
Mon 20 OCT - L2

Do Now - Name these people

What do they have in common?

Jenny Shipley
Former PM of NZ

Steve Hansen
Former ABs Coach

Parris Goebel
Choreographer

Mele Ikiua
AC Learning Leader

The New Zealand Order of Merit

The MNZM was created in 1996, by Elizabeth II, who was the Queen of New Zealand at the time. It was made to recognise people who have done amazing things for New Zealand. This includes those who have shown outstanding service to the country, whether in civilian life or in the military.

Today

Community acknowledgement of and celebration for Ms Ikiua who received a MNZM in the King's Birthday Honours for her services to vagahau Niue language and education.

Ms Ikiua has created
the NCEA Achievement
Standards for Vagahau
Niue

Ms Ikiua has been the
coordinator of Polyfest
Niuean stage since
2014

Ms Ikiua has
established Three Star
Nation and the Tofioka
Arts Academy

Today

9:00 - 10:10am Lesson 1

10:10 - 10:40am Break One

10:40 - 11:50am Lesson 2

11:50 - 12:20pm Break Two

12:20 - 1:30pm Lesson 3

1:40pm Celebration

2:30pm Home

You will assemble in Puke Tapu with your Lesson 3 class and Learning Leader. You must **leave your bags** in your L3 class.

HeALTH eXTERNAL 2.4

Analyse an interpersonal issue(s) that places personal safety at risk.

Learners should be familiar with the underlying concepts of health (hauora, socioecological perspective, health promotion, and attitudes and values) and be able to apply these to an unfamiliar context(s).

Learners are required to use specific and relevant evidence to support their analysis. An analysis requires the explanation of influences, consequences, and strategies.

Practice style questions for mock exam - [link](#)

Level 2 HEALTH
Term 4 | week 3
Tues 21 OCT - L3

DO NOW

Have a discussion with the people around you about what you found hard about the mock exam? What did you find you need to know more of to prepare for the external?

LEARNING INTENTION

Make sense of a interpersonal health issue

SUCCESS CRITERIA

- Identify short term and long term consequences for interpersonal Health issues
- Identify impacts interpersonal health issues have on ones hauora
- Explain strategies on P-IP-S levels

CYBERBULLYING

- Finish the table on Cyberbullying - you have 5-10 minutes
- Share back with the rest of the class your responses to the table

WORK IN PAIRS

- Make a copy of the Cyberbullying Table we used from the earlier task
- Remove answers for Cyberbullying
- Select one of the following interpersonal health issues to complete the table on:
 - Ethnicity/Race
 - Disability
 - Economic Class

Level 2 HEALTH
Term 4 | week 6
Mon 10 Nov - L2

DO NOW

Have a discussion about the following:

- Bedtime and wake up time
- How many hours of sleep you have a night
- What amount of sleep is recommended for teenagers?

L2 HEALTH

WHAT ADOLESCENT HEALTH ISSUES HAVE WE COVERED THIS TERM?

WHAT KNOWLEDGE DO WE HAVE TO KNOW IN PREPARATION FOR 2.1 EXTERNAL?

SLEEP ISSUES

What are sleep issues? How are they caused? Why are they so impactful to teenagers?

L2 HEALTH

FINISH THE sentence STARTERS

Topics: Period Poverty, Energy Drinks, Vape, Mental Health issues, Nutrition issues, Cannabis

Add a resource that supports that factor

A personal factor that could influence someone's/someone to

An interpersonal factor that could influence someone's/someone to

An societal factor that could influence someone's/someone to

L2 HEALTH

FINISH THE sentence STARTERS - WELLBEING

Topics: Period Poverty, Energy Drinks, Vape, Mental Health issues, Nutrition issues, Cannabis

Add a resource that supports that consequence

A short term consequence of Is...which leads to their physical wellbeing being impacted because
Social wellbeing being impacted because
Spiritual wellbeing being impacted because
Mental wellbeing being impacted because

A long term consequence of Is...which leads to their physical wellbeing being impacted because
Social wellbeing being impacted because
Spiritual wellbeing being impacted because
Mental wellbeing being impacted because

FINISH THE sentence STARTERS - WELL-BEING (SOCIAL)

Topics: Period Poverty, Energy Drinks, Vape, Mental Health issues, Nutrition issues, Cannabis

Add a resource that supports that shows evidence of its impact on society

Both these short term and long term consequences have impacts on NZ society (list three impacts and explain what it does to society):

IMPACT 1

IMPACT 2

IMPACT 3

FINISH THE sentence STARTERS - STRATEGIES

Topics: Period Poverty, Energy Drinks, Vape, Mental Health issues, Nutrition issues, Cannabis

Add a resource that supports that shows evidence to support the strategy:

A personal strategy

A interpersonal strategy

A societal strategy...
